Subject: Compliance with the 2009 World Anti-Doping Code

Dear Mr. Olson,

We would like to thank you for having submitted a revised copy of your anti-doping rules and giving us the opportunity to provide you with our comments. We confirm that you have successfully incorporated all of the mandatory articles of the 2009 World Anti-Doping Code (the "Code") into these rules.

This correspondence therefore constitutes your assurance that the ICU Anti-Doping Rules seem to be in line with the Code.

After this important step, it is fundamental that ICU enforces its regulations in accordance with the Code. While monitoring the enforcement, WADA may suggest signatories to amend certain provisions if need be. If you require any assistance in enforcing your anti-doping regulations or programs, please do not hesitate to contact us at: Emiliano.Simonelli@wada-ama.org or by fax +1 514 904 4450.

We thank you once again for your efforts in this legal exercise and continued commitment to drug-free sport.

Yours Sincerely,
