

# **Judges Education** **Summary**

This course is designed strictly to offer a basis in judges education. Offering general knowledge on how to present oneself professionally, understand the responsibilities and objectives of judging, comprehend the elements of a scoresheet, scoring, critiquing and what to look for in each genre. It in no way determines or ranks a judges ability level.

For comprehension purposes within the ICU Disciplines, there are two (2) separate ICU Judges Education Courses (see below) - 1. Cheerleading 2. Performance Cheer. The Phase criteria of each course is nearly identical with the exception of the content reflective of the respective disciplines.
