9. Be sure you review instructions prior to starting your capture.

a. You will then select CAPTURE ROUTINE button.

Capture Routine

b. Your 25 second countdown will begin.

- Be sure to set your device on landscape/horizontal orientation during your performance. (You may also select the START button before the countdown ends).

CHEER UNION

10. If you allow the countdown to end, your recording will IMMEDIATELY BEGIN. If you do not wish to wait for the countdown, you may select the START button to begin your recording. (top right corner) NOTE: Once you "start" - be very careful not to hit the STOP button on the top right corner.

CAMERA LENSE Normal - Use this in bigger venues - BEST CAMERA QUALITY Wide - ONLY use in smaller venues (If you are closer than 3ft (1 meter) from the performance surface.

Time Remaining
