

2024 ICU Event Safeguarding

World School Cheerleading Championships, World School Performance Cheer Championships, ICU World Cheerleading Championships, International Cheerleading Cup

Required for all coaches, assistants, team staff, medical staff, federation officials (entourage)

By completing the safeguarding requirements, you are not registered for the event, Please be sure to complete the event registration on the ICU website

- Go to icu.member365.org
- Access the STORE from the main dashboard
- Select “2024 Championships” from the left column
- Select “2024 ICU Events Safeguarding Application” & follow checkout instructions
- Access the safeguarding application through an email activation link which will be sent to the same email as your ICU Education Portal account email (please allow 10 minutes for the system to update and send the email)
- Scroll down to “ENROLLED COURSES” and click on the “2024 ICU Events Safeguarding Application” to get started
- Complete the requirements in the application *This must be completed by each individual requesting an approved event safeguarding card
- Be sure you are registered with a team for an event. Once your event registration and safeguarding requirements are confirmed, you will receive an email notification with your application approval.
- You must have an event specific safeguarding card for each ICU event. Once you complete the safeguarding application one time, you must ONLY complete the EVENT TEAM REGISTRATION. Your safeguarding application is in our system and you will be approved automatically for the event specific safeguarding card.
- Email Portal@cheerunion.org with any questions
