

INTERNATIONAL CHEER UNION (ICU) POLICY STATEMENT

28 February 2022

The Governing Council of the International Cheer Union (ICU) met today and has made the following policy announcement:

The International Cheer Union supports the position of the IOC Executive Board regarding political and military developments in Ukraine. The ICU has no events scheduled in Russia or Belarus and will suspend consideration of any future events in those countries.

Also, in compliance with the IOC Executive Board's position, until further notice Russian and Belarusian athletes and officials will not be participating in ICU international competitions.

The primary concern of our membership is for the safety and well-being of our Ukrainian athletes, coaches, and officials, and we stand ready to assist in this regard in any possible way.
